AT STRAWBRIDGE FARM

AN HISTORIC FARMHOUSE ON WASHINGTON STATE'S
WHIDBEY ISLAND

This newly restored 1909 farmhouse features all the amenities of a modern home, while maintaining its rustic sensibilities. A 5-bedroom-plus vacation rental with room for a few people or an entire family. Perfect for family vacations, reunions, group retreats or get-togethers!

Enjoy the breathtaking views of Saratoga Passage, Camano Island and Mount Baker. Sit by the crackling outdoor fire pit, explore 4-1/2 acres of fields and gardens, or simply sit and read under the many fruit trees and experience the renewing spirit of this tranquil setting.

The gray whales will pay you a visit from March through May as they migrate to their summer destinations. Year round, watch the roosting eagles soar above the bluff, and view the spectacular Northwest sunset from your front and center seat in the gazebo.
